Chief Secretary to the Government of Mysore,

Dear Sir,

We beg to acknowledge, and thank you for, your letter No.J 4103 of the 8th.April 1918 regarding magisterial jurisdiction, by a Justice of the Peace, over European British Subjects on the Kolar Gold Field.

The arrangements now announced, in substitution for those which have subsisted for some years, contemplate the special deputation, when required, of a Justice of the Peace to conduct trials of Europeans on the Field.

The decision in a matter so intimately affecting law and order in that Area, is eminently one for decision by the authority in whom the authority vests, and we consequently accept the conclusions at which the Government of Mysore have

arrived. We venture,however, to express the hope that should further experience in working show that the amended scheme entails delays, or other inconveniences, in bringing European British Subjects to speedy trial, owing to there being no Justice of the Peace resident on the Field, and competent to act magisterially, you will be kind enough to afford further consideration to the question raised in our previous letter.

We have the honor to remain,

Yours faithfully,
